## Shelly Cunningham

Not too many years ago, Mrs. Shelly Cunningham was Shelly Hartman. She roamed and succeeded in the hallowed halls of Winslow High School. After graduation in 1992, Mrs. Cunningham attended the University of Arizona in Tucson on scholarship, majoring in business. She returned to Winslow in 1996 where she and her high school sweetheart, Robby, were married. She began her business career as an Assistant Manager at WalMart eventually becoming the manager, but Mrs. Cunningham has always been a teacher at heart and that is what led her back to Winslow High School where she began her teaching career in 2002. Mrs. Cunningham was named CTE Director in 2012. She has always been a student and staff favorite. WHS will miss you! We salute you Mrs. Cunningham and wish you the very best of everything in your new home in Texas.

Afton Foster is married to Lisa Foster. They have three sons Emmett, Blane and Quincy, all Winslow Bulldogs. Afton graduated as a Winslow Bulldogs in 1989. At that point, he immediately dedicated his time to our youth by volunteering as a little league coach. Shortly after becoming a Police Officer, he was excited to become Winslow's DARE officer.

His passion was teaching our children the importance of being Drug Free. He was ecstatic when given the opportunity at WHS to become the School Resource Officer.

He can be found at every football and basketball game ensuring our safety and cheering on our Bulldogs. He has enjoyed working with the children during his Contemporary Issues class, and enjoys his time between classes and during lunch visiting with students, and ensuring each and every one of them is safe. Before the

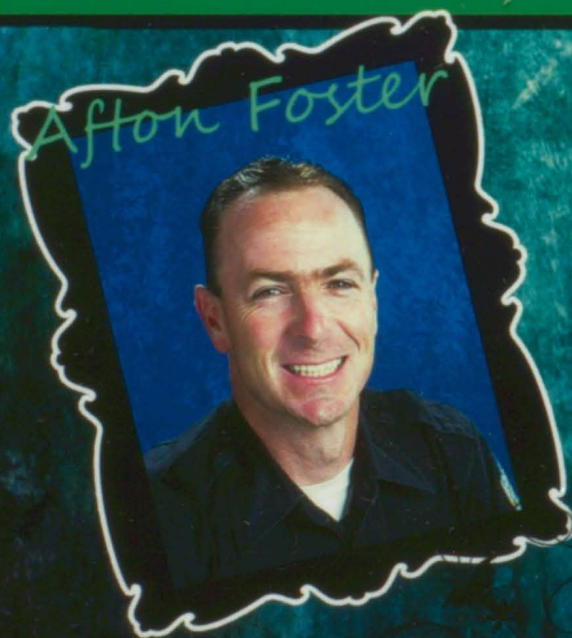

free lunch program this year, Afton paid for many students' lunches, because it was important to him that no one went hungry. He has led the toys for tots program in Winslow for over 12 years, volunteering his time to ensure that every child in Winslow has a wonderful Christmas. He

has also led many student events at WHS each year including the coat drive, pet food drive, cleaning up the campus, and a toy drive at Winslow Unified School District.

Afton has been a Mentor for students in AZ Project Challenge. He has sponsored the Canyon River Club, Paintball Club, and is a member of the Band Boosters. Afton is passionate about helping our Bulldogs becoming outstanding young men and women.

WHS is pleased to honor Janice Stewart as one of this year's Homecoming dedicatees. Janice graduated from Florence High School and attended Easter Arizona College, ASU and NAU, earning degrees in Home Economics, Physical Education and Business Education. She married Olen Stewart in 1959 and they have three children, Donna, Mark and Brett and 11 grandchildren. Janice began her career in the Winslow School District in 1962 as a PE/Health teacher at WHS. During her career she taught health, music, science, English, PE, and skills for adolescents. She coached track for 15 years and volleyball for 12 years. She was also a volleyball official throughout her career. Today you will see Janice running the clock and keeping score at WJHS and high school volleyball games, substitute teaching, serving as chaperone on choir trips, running tournaments at WJHS and assisting Mr. Petranovich with athletic director responsibilities at the Jr. High. She can always be counted on to organize and help set up a hospitality room and to do just about anything else the school district needs her to do. Janice, we thank you for your many years of dedication and devotion to the Bulldogs!

The background of the page is a light teal color with various watercolor washes in shades of blue and green. There are also dark, ink-like splatters and blotches, particularly in the top right and bottom right corners, adding a textured, artistic feel to the design.

# SENIORS

The background is a complex, layered composition. It features a mottled grey and blue base with darker, textured areas. In the upper left, there are soft, painterly strokes of purple and blue. Overlaid on these are several thin, vibrant blue lines that swirl and scribble across the page. The word 'SENIORS' is rendered in a large, bold, sans-serif font. The letters are a light, off-white color and have a 3D effect, with visible cracks and a weathered texture. The entire title is set against a horizontal band of blue and grey.

GREAT BRITAIN

ASA

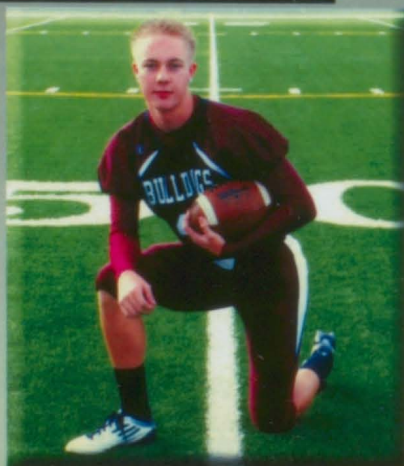

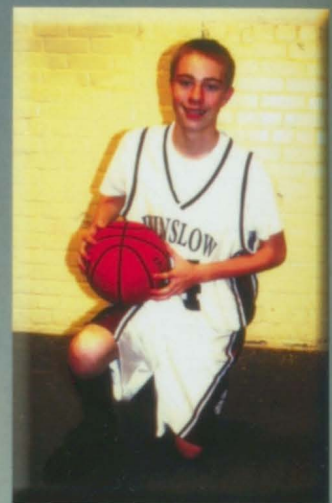

Austyn,  
We are so proud of the young  
man you have become and  
more proud of all your

accomplishments. Seems like just yesterday  
you were starting kindergarten and now its  
your senior year. It's time for you to begin the  
next chapter of your life but know we will  
always be here to support you in  
whatever you do. Keep up the hard  
work and know we love you!

Love Dad, Mom, Alexa,  
Grandpa  
& Grandma

**ChristoPHER Lamar Garrett,**

Such a strong name. A name of courage, and hope. Christopher a name that means one that carries Christ within him. One who is kind and loving towards others and is able to bear many things including the burdens of others.

pher... you have been all these things and much more.

Looking back it feels like only yesterday that we brought you home from the hospital. Born almost two months early you were always strong and ready for adventure. you were a loving child who always had a smile that could warm even the coldest of all hearts. Your eyes were bright and we were often told you carry a huge light within you. We have watched you grow into an amazing and honorable man. you have always shown great respect for those around you and are always aware of those that deserve kindness and gratitude. You have made many friends with many people along your way. You have made many friends with many people along your way. you have made many friends that have become your family and will always be a part of you.

Son when it comes to words that express how proud we are of you there are none. All we can say is that we are overwhelmingly proud of you. It is an overwhelming emotion within us that can only be felt and be seen when we look at you. Our eyes brighten and our smiles become so big they light up any room.

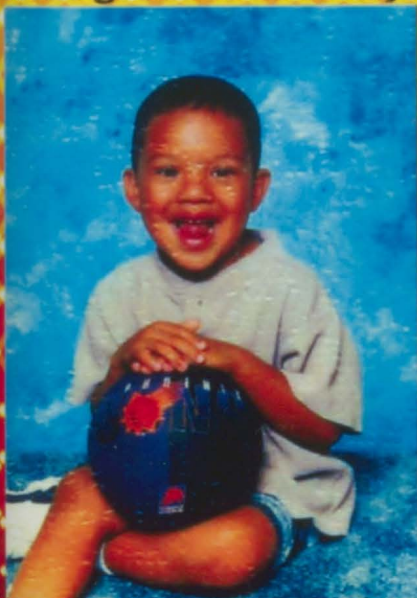

You have accomplished so many things and so many people have seen a light shine in you hat they have not often seen in a young man of your age. You have heard over and over. "Mind Strong!" always remember to continue to let your light shine and always stay mind strong!

You still have an adventure ahead of you. A road that may become difficult at times; but one that we know you will endure through good and tough times. Continue to make the good choices in life that you have so far no matter how hard they may become. Never give up who you are for anyone or anything and never forget where you came from. Learn from your mistakes. Without mistakes we cannot learn and do things better. Always stay honest and continue to remain strong, courageous, loving and always hope for the best! Continue to have strong faith and always trust in God.

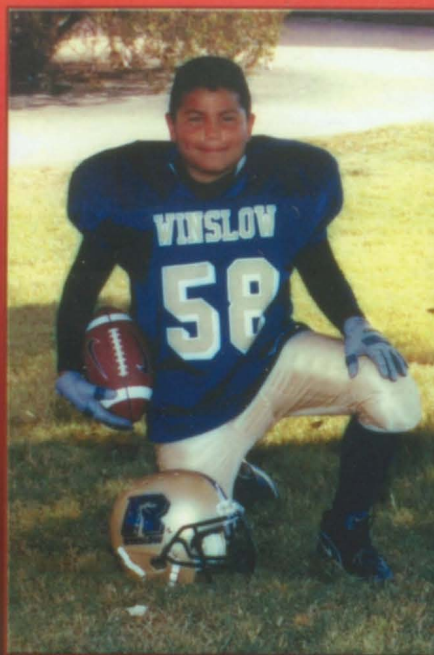

We have been blessed with you for our son and are thankful to god for you. We look forward to your future accomplishments and pray that you will continue to push forward to reach all your dreams. Always dream big son and always push forward!

We love you son and are overwhelmingly proud of you! Congratulations PHER!

With great love and joy, Mom and Dad

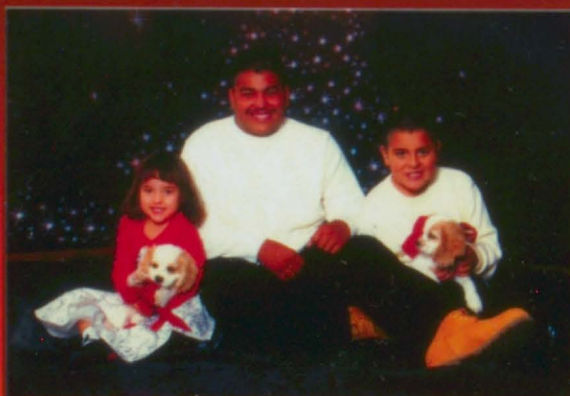

Congratulations  
Marcos (Fluffy)

We are very proud of the young man you have become. who would have thought this day would come so fast. Continue to achieve all the goals in your life as this is just the beginning. Thank you for all the wonderful memories and remember we are always here for you.

Love,  
Mom, Lex, Michael & Mercedes

Ernestine,

We wish we could find the perfect words to tell you how proud we are of all you're accomplishments and everything you've become. You are life's greatest gift to us. Memories come flooding back to us as we look back over the years. We want to hold on to you and at the same time watch as you fly high and free...

The ideal words would say what a joy it was to watch you grow up, and what an amazing, rewarding and loving experience it continues to be. You have such spirit and a character all your own. You are a doer and an achiever of what you believe in. We're so proud of the dreams you have and the conviction you have to make those dreams come true. Your world is bright, new and bursting with possibilities. It's so easy for us to remember your very first steps and how we had out our hands for you to hold. As each year passed, you have and will take more steps and some of these steps will eventually lead you away from your family and friends- but always remember that our hands and our hearts are forever here for you. Every time we see you, we know that we are looking at as beautiful a gift as anyone has ever given. But, we couldn't have been blessed with anyone more wonderful...than the daughter that you are. to make a difference in life, you must first believe in yourself! you have been life's greatest gift to us, and we love you so much

- Your Family-

## *Congratulations, Katie*

*We are so very proud of you!*

*Love, Dad, Mom, Laurel, Popie  
& Grandma Turley & Auntie*

I have watched you grow and learn and become a beautiful young lady. You have made great decisions & you have definately made me proud to be your mom.*

**When I see your face,**  
*theres not a thing that I would change cuz*

**Rayanna, you're amazing...JUST THE WAY YOU ARE!!!!**

**To my baby sister**  
 I can't believe you're graduating. Seems like yesterday we were running down the street to the bus stop together , and even though we would fight like no other we always had each other. It's going to be so hard to see my only sister leave so far away but know I'll always be with you no matter what. (just look at your shoulder.) I'm so proud of you, and brooklyn couldn't ask for a better auntie. I love you so much Ray-Ray "Sister by blood, friend by choice."

To my beautiful Daughter

OMG!! I can't believe you're already graduating and about to leave me. :( Who is going to do my laundry?? Seriously Nan, I'm going to miss you, not only because I now have my own laundry but because you have truly become one of my best friends. I'm going to miss all our mommy and daughter time; talks, questions, shopping, movies, road trips, etc. But I know you're going to go out and do great things and you will always come home to visit your mama. Right?

Words can't even begin to describe how proud we are of you and the fine young lady you have become. You are truly beautiful inside and out. You have a huge heart and I know you will continue to do good things for people through your faith. Though I know you're not perfect, I know you've had some ups and downs and bumps and bruises along the way. But you have always found your way. You have lived and learned from your mistakes and all your decisions whether they were right or wrong. That's what life is all about. We are so very proud of you. Continue to make good choices and remember who you are, because you are in the driver's seat now. Your life is what you make of it!! Remember we will always be here for you and we support you in whatever you choose to do.

Thanks for all the memories you have given us thus far, it's been a ride. From your 1st day of kindergarten all the way to the state championship softball game and WIN!! We thank you!! We will also miss you blonde moments of course, all your concerned questions and answers. The house isn't going to be as funny with you gone. Thank God we still have AJ. :) Go get them kid! Have fun and enjoy the ride!! you only live once!!

We love you to the moon and back!!

# A Word From The Editors

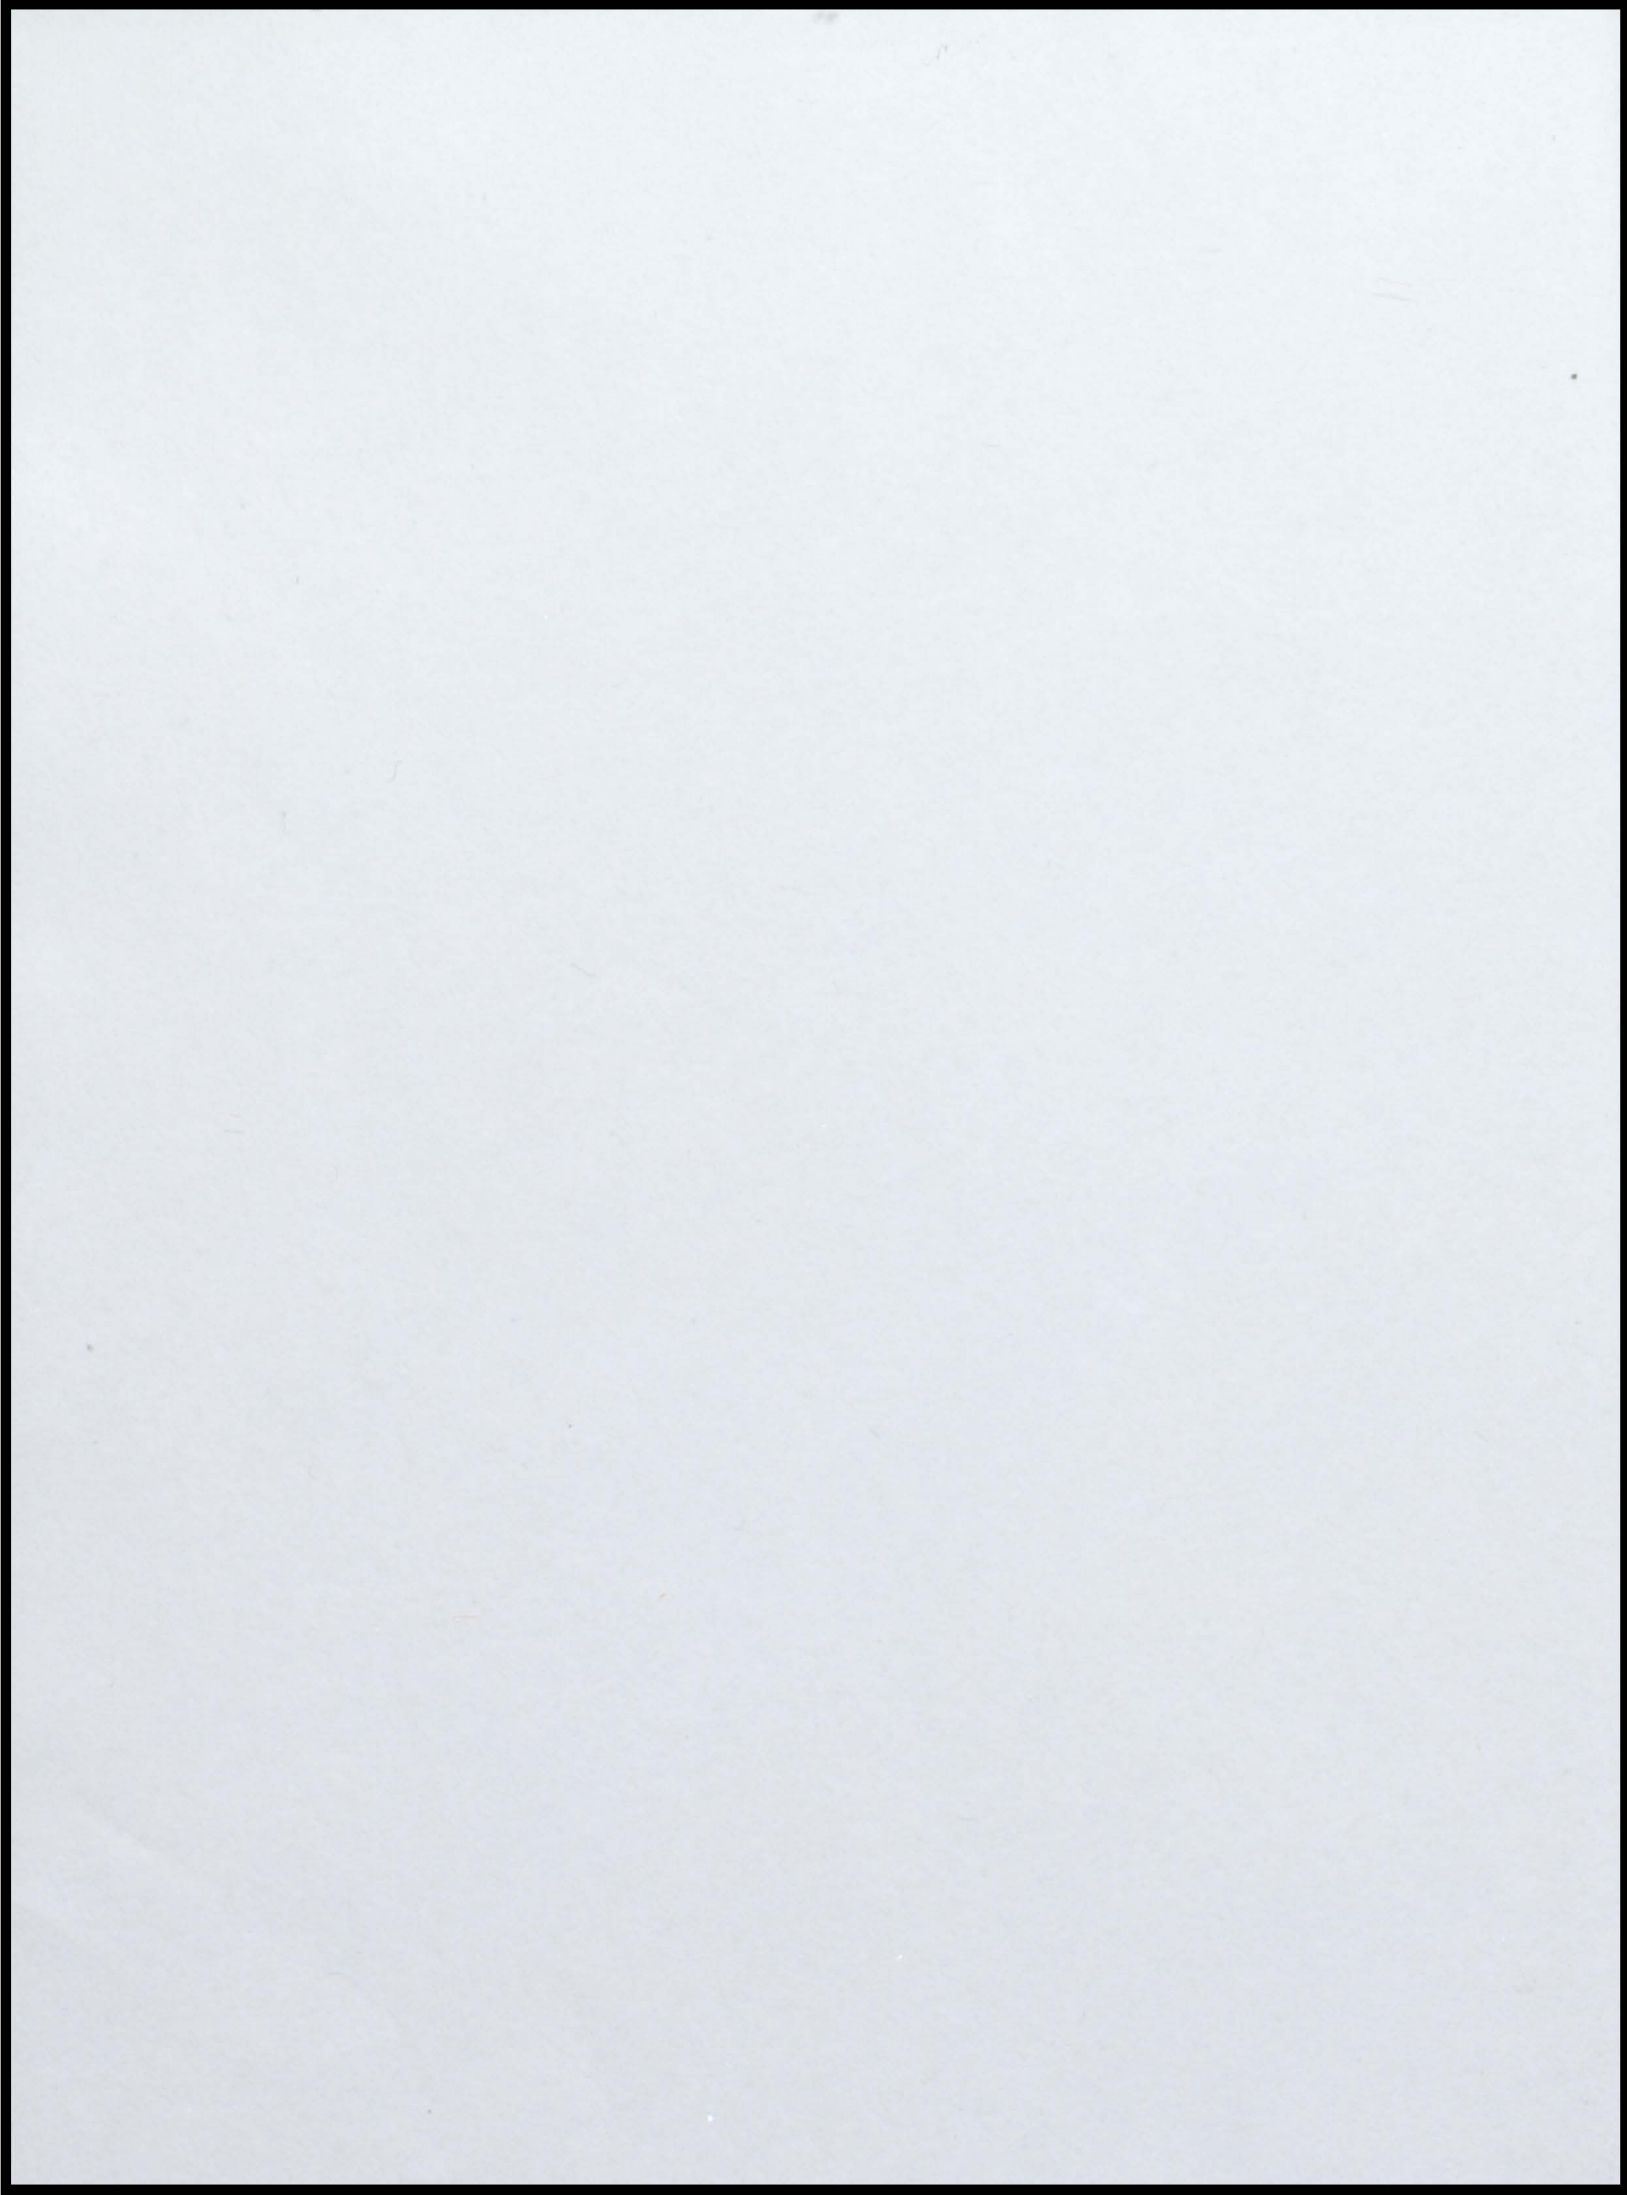

As we leave behind another year to start a new life in what ever each of us has planned, know that we finally made it. It is finally our time to say that we "Survived Winslow High School"!

Class of 2012! Getting to know everyone through out the years and making memories that will last a lifetime, is only the beginning of what will come next. While there is much to take in over these past years, we know that the memories of High School will forever be in the minds of everyone who was able to make those memories come to life.
